GENERAL:

Open to riders who have accrued at least ten points in LAHJA Junior and Senior Medal classes since the previous year's finals. For eligibility requirements contact the association office.

OVERVIEW:

The Medal Finals will consist of two qualifying rounds using the open numerical scoring system. There will be four judges (two teams of two) officiating in all rounds. All participants will return for the second round. There will be a third round of the top ten riders plus any rider with an average score of 80 or above from rounds 1 and 2. A work-off is required of the top four plus any rider within 3 percentage points of the leader. The judges will sit together and give one score for the work-off which will not be announced. Only if there is a tie after the work-off will another work-off be required. Different work-offs will be required for juniors and seniors. In cases of inclement weather or other unforeseen circumstances, the format for the medal finals may be modified. The Appeals Committee must approve the method of modification.

SCORING:

Scores from Round 1 will be averaged, scores from Round 2 will be averaged and added to the scores from Round 1 to determine the Top 10 that will return for Round 3. To obtain a final score after Round 3, the scores from Rounds 1, 2 and 3 will be averaged. The score for the work-off will be added to the overall average to determine the winner.

ORDER OF GO:

Round 1 will be drawn. Round 2 will be the reverse order of Round 1. Round 3 will ride low score to high score from the average score of the first two rounds. The top ten scores, ties for 10th place and any riders with an average of 80 or above will return for Round 3. At the completion of Round 3, the designated riders will perform the required work-off, after which awards will be presented.

COURSES:

The courses for the two qualifying rounds will consist of one straight-forward hunter/equitation-type round (Round 1) and one jumper/equitation-type course (Round 2). The course for the final round will be of greater difficulty than the first two rounds. Water and liver pools are not allowed. Fences are not to exceed 3'3".

SCHOOLING:

1. Schooling will be allowed only in the designated schooling area.
2. For safety reasons schooling jumps will be restricted; these restrictions will be posted at the entrance to the schooling area.
3. The LAHJA will designate a schooling supervisor who will have authority in the schooling area during the finals.

The Appeals Committee will consist of the LAHJA appointed technical delegate, two appointed members of the LAHJA Board of Directors, one USEF steward and the horse show manager. Any protest must be filed within one hour of the conclusion of the class. No money need be given with the protest, but it must be written, signed and handed to a member of the Appeals Committee. Except for what is specified above, USEF rules regarding equitation classes will be followed. Additional specifications and/or clarification may be sent out by the LAHJA prior to the Finals and will take precedence over the above listed specifications.

TECHNICAL DELEGATE:

There must be a Technical Delegate (TD). The TD will be appointed by the Medal Finals Committee and will be responsible for interfacing with the Horse Show Management, officials, and exhibitors.

HORSE:

The same horse must be ridden through all phases of competition. However, due to illness or injury of the horse, a rider may petition to ride a substitute horse. The Appeals Committee must approve this

COURSE DESIGNER:

Show Jumping Hall of Fame Junior/Amateur-Owner Jumper Classic Series

The Show Jumping Hall of Fame Jumper Classic Series is designed to give amateur-owner and junior riders an opportunity to compete at higher levels and serves as a proving ground for many riders who aspire to someday represent the United States in international competition.

Series winners receive year-end awards, and the Series offers Year-End Championship Finals for junior and amateur-owner riders at the National Horse Show.

Any horse show offering a class that meets all the criteria set forth in the 2009 Series specifications and has prize money of at least \$1,000 is eligible to be part of the Series.

FEDERATION ENTRY AGREEMENT

By entering any USEF recognized Competition and signing the entry blank as the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaulteur or Longeur and on behalf or myself and my principals, representatives, employees and agents, I agree that I am subject to the ByLaws and Rules of The United States Equestrian, Inc. (the "Federation") and the local rules of the competition. I agree to be bound by the ByLaws and Rules of the Federation and of the competition. I will accept as final the decision of the Hearing Committee on any question arising under the Rules, and agree to release and hold harmless the competition, the Federation, their officials, directors and employees for any action taken under the Rules. I represent that I am eligible to enter and/or participate under the rules, and every horse I am entering is eligible as entered. I also agree that as a condition of and in consideration of acceptance of entry, the Federation and/or the competition may use or assign photographs, videos, audios, cablecasts, or other likenesses of me and my horse taken during the competition for the promotion, coverage or benefit of the competition, sport, or the Federation. Those likenesses shall not be used to advertise a product and they may not be used in such a way as to jeopardize amateur status. I hereby expressly and irrevocably waive and release any rights in connection with such use, including any claim to compensation, invasion of privacy, right of publicity, or to misappropriation. The construction and application of Federation rules are governed by the laws of the State of New York, and any action instituted against the Federation must be filed in New York State. See GR 908.4

Horses and/or riders who go in a class without entering will be charged a \$25 post entry fee.

SHOW SCRATCH REFUNDS: Horses that are scratched before the closing date of entries will receive a full refund of all fees paid for that horse's account. Horses that are scratched after the closing date of entries but before the entry number is picked up will receive a full refund of any fees paid for that horse's account with the exception of the stall fee, entry deposit fee, and 50% of the jumping nominating fee. After the show starts, with official show vets certificate only, full refunds will be given minus a \$50 per horse "scratch fee", stall fees, and fees for classes already held prior to notification, whether exhibited in or not. MINOR EXHIBITORS: Parents or guardians of minor exhibitors shall hold Langer Equestrian Group Inc. and the Los Angeles Equestrian Center harmless for injury to such minor. No child's entry will be accepted unless the entry blank is signed by a parent or guardian.

MANAGEMENT: The Horse Show Management reserves the right to itself to interpret all questions and conditions in regard to or rising out of or incident to the show without claims for damages or recourse of any kind. All questions not covered in these rules and regulations shall be decided by the Horse Show Management and their decision to be final. The Horse Show Management reserves to itself the right to limit entries in any class, change any course, cancel or combine any unfilled classes, or reschedule classes, after due notice to exhibitors; change rings or rotate judges; change specifications in jumper classes in order to facilitate the time schedule. Once divisions and/or classes have been combined, they will not be uncombined unless, on the morning of the first class, there are 8 entries in each division and/or class.

CONDITION OF ENTRY: Every horse entered for competition will be under the control of Horse Show Management but the Horse Show Management will, in no case, be responsible for a condition of entry that each exhibitor shall hold the Horse Show, its Directors and Employees, Langer Equestrian Group Inc, the Los Angeles Equestrian Center harmless for any loss or accident to his/her horse, horses or equipment which may occur from sickness, fire or otherwise.

STABLING: Stalls, whether occupied by horses, feed, or tack, will be available for \$225 each. *Stalls received after the closing date of entries will be \$275 each.* First bedding will NOT be included. RETURNED CHECKS: Checks returned by the bank for any reason are regarded as a most serious offense and will be handled according to the following procedure. All returned checks will be charged an additional 10% penalty (minimum \$25). Accounts will be given ten days to be paid in full with cash or cash equivalent or they will be turned into USEF and Pacific Coast Horse Shows Assn. for further disciplinary action.

CLOSED RINGS: Horses are not permitted in arenas when a course is set or in the process of being set for an upcoming class.

SCHOOLING RULES: Schooling will be permitted in designated areas only. The word schooling includes but is not limited to riding, driving, lunging, leading, and exercising. **In accordance with California State Law, poling and/or the use of offsets WILL NOT be permitted.** Violations of schooling regulations may be considered cause for fines and/or elimination. Hunter rings will be open the day prior to the start of the show and for a limited amount of time at the beginning and at the conclusion of the show day.

SCHOOLING SUPERVISION: Please be advised that starters have authority, as agents of management, to scratch riders who do not follow USEF schooling rules.

COURSES: Courses may consist of any combination of the following; Brush, Gate, Oxers, Post and Rails, Water, Liverpools, Ditch, Walls, Panels, Banks and Coops. The Horse Show Management reserves the right to adjust fence heights or spreads in Jumper classes as competition warrants.

CONFLICTS: It is the intention of management to avoid holding rings to wait for horses and/or riders. Riders with conflicts must arrange their jumping order with the starters so that they will not hold up a class. Starters have the authority from management to scratch riders who are not timely.

DOGS: No dogs are allowed outside of the stable area at anytime, **WHETHER LEASHED OR NOT.** Dogs are a serious safety problem at Horse Shows. All exhibitors should be advised that this facility is **SERIOUS** about dogs being a nuisance at events and we encourage everyone to leave their dogs at home.

OFF LIMIT AREAS: LAEC training rings, polo rings, and other facilities used for the normal operations of the Los Angeles Equestrian Center are not part of the showgrounds. Exhibitors and trainers are cautioned that these facilities are off limits to show competitors and their horses without the express permission of and under the immediate supervision of an LAEC authorized trainer. You may be eliminated from the show, fined, and/or asked to leave the showgrounds for violating this rule.

ABUSE: Competitors who abuse horses will be eliminated by the judge and may be subject to fines and/or penalties. Excessive abuse includes, but is not limited to, use of the whip four or more times and/or use of the whip in front of the horses shoulder.

DESIGNATED PARKING: All trucks, autos, golf carts, and other motorized vehicles must be parked in designated areas only. To insure the safety of all exhibitors, only persons with a valid driver's license may operate any motorized vehicles (electric or gasoline).

MEDICAL WASTE: In accordance with the 1989 Federal Waste Tracking Act, which restricts the disposal of medical waste, and the rules of US Equestrian, Bio Hazardous Medical Waste containers are provided in the stable area. All exhibitors and their agents are responsible for the proper disposal of this waste.

ARENAS: All warm up and competitions arenas contain sand footing. Dimensions are as follows: Equidome – 150 x 300; Large Oval – 150 x 300; East Ring – 135 x 285; Allen Arena – 150 x 300. Grass Field – 200 x 400 (with sand warm up area).

PROTECTIVE HEADGEAR: Except as may otherwise be mandated by local law, it is compulsory for riders in all Hunter, Jumper, and Hunter Seat Equitation classes, and Paso Fino classes, both open and breed restricted including Hunter Hack where jumping is required and when jumping anywhere on the competition grounds to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. Additionally, the above headgear requirements are mandatory for juniors and strongly encouraged for adults while riding at anytime, anywhere on the competition grounds. Any exhibitor may wear protective headgear (ASTM/SEI) and/or protective safety vest, specifically designed for use in equestrian sport in any division or class without penalty from the judge. The Federation recommends that the vest meet or surpass the current ASTM standard or be certified by the SEI. See USEF GR801.4.

Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles on the competition grounds of recognized competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. Violations of this rule will be cause for sanctions against the parent(s), guardian(s) and/or trainer(s) who are responsible for the child committing the offense. Penalties may include exclusion of the child, parent(s), guardian(s), and/or trainer(s) from the competition grounds for the remainder of the competition and charges being filed against any of the above individuals in accordance with Rule 6. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

Stall Damage

Trainers will be held responsible for any damage to stalls under their purview, as listed on the official stall chart, beyond normal wear and tear. Charges for damaged stalls will range from a minimum of \$200 to a maximum of \$2,000, depending upon the severity of the damage. Damage includes holes in the canvas, cutting the canvas, writing on the canvas, altering stall doors and/or configuration, removing panels, and removing the safety anchors. Trainers are responsible for reporting existing damage prior to moving into the stalls in order to avoid penalties.
